THE ICE FESTIVAL

PROGRAM OF EVENTS

FEBRUARY 2-4
CRESTVIEW PARK

THE ICE FESTIVAL **TRADITION**

The Annual Ice Festival is a tradition that began in town over 25 years ago. In the beginning, college students would reserve the last weekend in January to relax and have fun in the snow. Eventually, the winter weekend became more formal to include contests and dances.

THE COSTUME SHOPPE introduced the idea of an annual Ice Festival Costume Ball in 1970. The ball has become the highlight of the festival, and **THE COSTUME SHOPPE** continues to supply costumes for the ball. The program for this year's Ice Festival contains a mixture of traditional and new events.
