

## Graceland will mourn for you...again!

We love you Bob, and we will miss you, and have a Blue Christmas without you. Your song and laughter will always make us smile and sing with you, as it will live in our hearts forever!

I'll have a blue Christmas without you  
I'll be so blue just thinking about you  
Decorations of red on a green Christmas tree  
Won't be the same dear, if you're not here with me

And when those blue snowflakes start falling  
That's when those blue memories start calling  
You'll be doin all right, with your Christmas of white  
But I'll have a blue, blue blue blue Christmas

(Instrumental break)

You'll be doin all right, with your Christmas of white,  
But I'll have a blue, blue Christmas
